HALLEY CABLES

CABLES & WIRES

Halley Cables is currently one of the leading cables and wires supplying companies in Romania, Eastern Europe and the Middle East.

Established in 2006, Halley Cables is a dynamic company specialized in power supply, which focuses on customer satisfaction.

The main objective of our management and employees is to provide the clients our best service taking in consideration the price, the quality and the time limitation, keeping the business ethics as our prime standard and keeping health and safety, environmental and quality as our first priority.

With an extensive portfolio of products that can meet thousands of diverse application requirements, we continuously invest in research and development in order to maintain and expand our leadership in the field by creating the best solutions to meet tomorrow's market needs.

OUR VISION

To become one of the most dependable suppliers of cables and electrical equipment in the world, focused on constantly improving customer satisfaction by offering a wide range of high-end products.

OUR MISSION

Our company's evolution has been founded on the premises that the key to success in business is by taking our job the most serious way possible. The tight collaborations with the most prestigious cable companies in the world stand up to support this statement.

HALLEY CABLES

CABLES & WIRES

We provide the best solutions for your business

*Fair price / performance
As per customer's requirements
Flexible delivery process
Free customer service*

*Information flow in each step
Correct packaging and appropriate delivery
Accurate logistic systems
Product & production standardization*

Halley Cables supplies a wide range of clients including:

*Public & Private power utilities / Power Stations
Industrial / Infrastructures / Shipping / Railways
Government agencies / Ministry of Defense
Highrise Buildings / Residential / Hospitals / Stadiums
Hotels / Schools & Colleges / Shopping Centers
Office Buildings / Universities / Refineries / Oil Platforms
Off Shore / Chemical Industry / Airports / Motorways / Ports*

We work with the best products whose quality is certified and in agreement with the highest international standards

- *Quality Management System Certificate ISO EN 9001*
- *Environmental Management System Certificate ISO EN 14000*
- *Occupational Health and Safety Management System Certificate ISO EN 18001*
- *Used Standards: VDE, BS, NF, OVE, IEC, HAR, TS, GOST, CEI, UNEL, CENELEC, RINA, DIN, BV, NV, Lloyd's, UL*

Always Challenging & Inspiring ∞ Always Upgrading & Developing
